Young Researchers Forum - Young Scientist Awards

TOXICOLOGY PHARMA 2020

Conference Series LLC LTD is organizing “2nd World Congress on Toxicology and Applied Pharmacology” which is going to be held in the month of December 01-02, 2020 at Osaka, Japan. The Theme of the conference is “Organizing productive gatherings on Toxicology and Pharmacology”. The conference offers Prestigious Award for Young Researcher’s at TOXICOLOGY PHARMA 2020. Gathering the New-born Advances in Toxicology and Pharmacology.

TOXICOLOGY PHARMA 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards TOXICOLOGY PHARMA 2020. This TOXICOLOGY PHARMA 2020 Young Scientist Awards will be announced at the upcoming “2nd World Congress on Toxicology and Applied Pharmacology” at Osaka, Japan on December 01-02, 2020.

TOXICOLOGY PHARMA 2020 scheduled on December 01-02, 2020 Osaka, Japan offers a unique platform to present and know the latest updates with a complete approach to diverse areas of interest. As the said by Paracelsus (1493-1541) ‘father of Toxicology’ goes “All things are with poison and nothing is without poison; only the dose can make a thing not poisonous”. Toxicology deals with the study of the correlation between the dose and its subsequent therapeutic effect. The therapeutic effect can convert to toxic effect with the increase in the level of dose. Toxicological studies starts right from the preclinical drug development. These studies are supported by advanced techniques such as In vivo imaging.

This TOXICOLOGY PHARMA 2020 is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at TOXICOLOGY PHARMA 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Why TOXICOLOGY PHARMA 2020?

At TOXICOLOGY PHARMA 2020 you can meet the world leading toxicologists, pharmacologists, clinical research professionals, biochemists and also the industrialists who will provide you with the latest innovations and scientific approaches thus help you in widening your scientific knowledge.

The topics of the Conference will reflect the recent advances, current trends, future trends and new approaches in Toxicology and Pharmacology. The conference will cover among others: Mechanisms and modes of action of various toxins, Clinical and Forensic toxicology, Emerging in vitro models, Medicine Development and Safety Testing, Regulatory toxicology and last but not least, a broad scope of pharmacology and toxicology in different fields. Thus, our objective is, to create platforms which will gather eminent scientists who will undoubtedly enrich our congress during the Q&A sections.

Past Conference Report:

The World Congress on Environmental Toxicology and Health was organized during July 11-12, 2018 at the Mercure Sydney Central, Sydney, Australia. The conference was marked with the attendance of Editorial Board Members of supported Conferenceseries llc LTD Group Journals, Scientists, young and brilliant researchers, business delegates and talented student communities representing more than 20 countries, who made this conference fruitful and productive.

The conference proceeded through various Scientific Sessions and plenary lectures, of which the following topics were highlighted as Keynote presentations:

- Nanomaterial carcinogenicity: Role of cancer stem cells and tumor microenvironment: Yon Rojanasakul, West Virginia University, USA
Risk assessment and bioavailability of mercury from dust in gold mining areas in Johannesburg, South Africa: Ewa Cukrowska, University of the Witwatersrand, South Africa

The air pollution caused by wildland fires and the effects on health: Jaime Senabre, SINIF, Spain Scientific sessions were chaired by Ewa Cukrowska, University of the Witwatersrand, South Africa.

Eligibility Criteria for Young Scientist Awards TOXICOLOGY PHARMA 2020:

The TOXICOLOGY PHARMA 2020 Young Scientist Awards is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria:

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the TOXICOLOGY PHARMA 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the TOXICOLOGY PHARMA 2020 Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to medicaltoxicologymeet@asiapacificmeets.com along with the online application at the TOXICOLOGY PHARMA 2020 Award page.

Presentation:

This award will be presented at Osaka, Japan during TOXICOLOGY PHARMA 2020 conference.

About Hosting Organization: Conference Series:

Conference Series LLC LTD is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposia 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
